

Rollover form

To roll other super money into the Electricity Industry Superannuation Scheme ('ElectricSuper'), please complete this form and send it back to us at the address shown at Step 3. We will contact your other fund managers and look after all of the transfer details at no cost to you. There is no charge from ElectricSuper for this service. If you have more than one fund you want to transfer, you can photocopy this form. Your transfer will be processed faster if you attach a copy of a recent Member Statement from your old super fund. Check the back of this form for more helpful notes about transferring.

Notes

Please ensure that all details on the front of this form are completed.

Your old fund may charge an exit fee and/or set a buy/sell margin which would mean a reduction in the amount transferred. Please check with the administrator of your old fund for details of any fees. No entry fee will be charged by the Electricity Industry Superannuation Scheme on receipt of this benefit.

Also, some super funds have a waiting period. They are commonly 30, 60 or 90 days, and in certain circumstances, up to 6 or 9 months. If there is a delay in processing your transfer, it may be that a waiting period applies at your old fund.

Do **NOT** complete this form if you:

- Wish to transfer only **part** of the benefit held in your old fund to the Electricity Industry Superannuation Scheme; or
- Are still working for your old employer on a casual basis and expect that employer to pay further contributions on your behalf into your old fund; or
- Have advised the Australian Taxation Office to pay an amount from the Superannuation Holding Accounts Reserve (SHAR) to your old fund; or
- Have taken an option under your old fund to continue your insurance cover for a specific period, which has not yet expired; or
- Are not comfortable with, or sure of the exit charges that apply from your old fund.

Transfers are simple...here's what you do

Step 1

Find out where your old super is. You'll need the name, ABN and USI of your old fund and your membership number in this fund. Start by gathering the most recent statements of all your super funds. If you can't find them, call your old employer(s). They'll be able to tell you which fund your super was paid to and provide a contact number for you **OR** you can contact the Lost Members Register at the **Australian Tax Office** on telephone **131 020** which has a register of lost superannuation money. You can also use your myGov account to search for lost super.

Step 2

Fill in the form overleaf. You'll need one for each fund, so you can make copies of this form or call the Electricity Industry Superannuation Scheme on 1300 307 844 for more forms. Your transfer will be processed faster if you attach a copy of your last statement from your old fund(s).

Step 3

Send your completed form(s) to the Electricity Industry Superannuation Scheme. Once we have received it we will contact your old fund and arrange for your money to be deposited into your Electricity Industry Superannuation Scheme account.

Step 4

Once your transfer-in has been deposited to your account, we will send you confirmation that your money has been deposited. Your old fund should also send you confirmation that they have closed your account and transferred your money to your Electricity Industry Superannuation Scheme account. While the Electricity Industry Superannuation Scheme endeavours to complete your transfer quickly, delays may be experienced due to administration processing times of your old fund.

Requirements for the other fund administrator

All transfer payments should be made payable to the Electricity Industry Superannuation Scheme and forwarded together with a Rollover Benefits Statement to the address below. If benefits are unable to be transferred to the Electricity Industry Superannuation Scheme, please notify the administrator of the Electricity Industry Superannuation Scheme as soon as possible so that the member can be informed.

Your Privacy
