My tax file number is: _____ - _____ - _____

Special note:

The Trustee may pass your tax file number to any other super fund or account to which your super is transferred in the future unless you request in writing that this not be done.

By providing your tax file number:

- you can avoid paying tax at a higher rate than would otherwise apply on your contributions; and
- you can avoid paying tax at a higher rate than would otherwise apply on your benefit, and it will be easier for you to find your super in the future and ensure that you receive all of your super benefits when you retire.

Choosing not to provide your tax file number is not an offence. However, if you don't provide your tax file number now or in the future:

- the Trustee will not be able to accept any after-tax contributions; and
- you may pay more tax on your super benefit than you would otherwise (although you can claim this back when you lodge your tax return).

Step 7 - Attach proof of spouse's identity

For identification purposes, you **MUST** attach an original certified copy of either your Driver's Licence or Passport (or acceptable alternatives).
